2013 Provincial Team Souvenir Program

Volleyball Manitoba would like to thank all the athletes for participating in the 2013 Provincial Team Program.

We hope you enjoyed your experience with the Provincial Team this summer and will continue to be involved in the future. Throughout the summer you will have met a number of new people and developed a number of lifelong friends. You will have learned new skills and sharpened old ones, developing both as an athlete and as a person. We hope your involvement with the program will be a stepping stone to realizing your future volleyball goals.

We hope you will continue to show the same determination and dedication that you showed to the Provincial Team. If so, we know you will continue to develop and will attain any goal you set out for yourself. Hopefully, many of you will move onto University Programs, and even one day maybe the National Team Program.

I would also like to take this opportunity to thank the many companies that adopted many of these outstanding athletes. Your generous donation towards these young athletes' development is greatly appreciated. Through your support the athletes are able to continue to work towards their goals and represent Manitoba proudly.

Volleyball Manitoba is very proud of all the athletes that took part in this year's Provincial Teams. The future of Volleyball in Manitoba is very positive. We wish you all the best of luck in your volleyball careers and hope to see a lot of you back next year!

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Stephens".
